

This page will help you know what you will need to make Good Friday meaningful for you and your family. This experience can be done alone with God, or with the people in your home.

This year's Good Friday experience is different. How it goes is really up to you. We've prepared a video that you can loop during the experience in a way that best suits you and your family. You might want to prepare your home by creating an introspective vibe. Use candles, soft lighting, whatever you have. Remember the Last Supper was in an Upper Room, most likely an intimate setting.

What you'll need:

- Bible

- Large bowl of water

- Washcloths for each person there

- Grape juice or wine

- Unleavened bread

 - You can bake it yourself, likely with things you already have. See recipe below.

 - Let the whole family help. This is a great way to engage the little ones.

- Journal or paper for each person there with a pen

- Hammer and nails

- The ability to watch a video. Text the word GoodFriday to 411-247 for the link.

Most of you have these items already in your home. If you prefer to pick up packets for your home experience, we'll have some available for drive through pick-up in the parking lot at the bottom of main entrance stairs at the Grace Campus. The drive through items will be available from 4-6 on Thursday, April 9th.

You can set up the different stations throughout your home, or everyone can do the experiences together in the same room. Let the Creator help you create the right environment and plan to experience Him in a meaningful way.

UNLEAVENED BREAD RECIPE

INGREDIENTS

- 1 cup all-purpose flour
- 1/3 cup vegetable oil
- 1/8 teaspoon salt
- 1/3 cup water

DIRECTIONS

1. Preheat oven to 425 degrees F (220 degrees C). Line a baking sheet with parchment paper.
2. Mix flour, oil, and salt together in a bowl; add water and mix using a pastry cutter until dough is soft. Form dough into 6 balls and press into disks onto the prepared baking sheet using your hands.
3. Bake in the preheated oven until bread is cooked, 8 to 10 minutes.

Start your journey with prayer, asking God to lead you to the Cross tonight. Then, in whatever order you choose, take the following steps. During all steps, loop the video. Make sure the volume is up. Watch the video throughout your experiences.

CONFESS

Write in your journal your confession. You can be specific or not. The goal here is to express your need for the Savior. Then dip your hands in the bowl of water and dry them with the towel. This signifies that if you confess your sins, He is faithful to forgive, and cleanse you of all unrighteous.

(1 John 1:9, Hebrews 8:12)

PRAYER & WORSHIP

Take a few minutes to write out your worship to God. List some of His attributes and what He's done for you. Make it personal. Dig deep here. Take your time. Think about God sending His son Jesus. Think about the sacrifice. (John 3:16)

CONTEMPLATE

Take three nails hold them in your hand. Think about the reality of Jesus hanging on the cross. Let your mind and heart take it all in. (Luke 23:21)

COMMUNION

When you are ready, take and eat. Take and drink. Remember Christ's sacrifice. (1 Cor 11:23-26)

PERSPECTIVE

If it's dark, go outside and look into the sky. Remember that the God who made the heavens and the stars knows you by name. He chose you and made a way for you to know Him by what Jesus did on the Cross. He loves you that much. (Ps 8:3-4)
