ACTIVITY GROUPS

Top Secret (1st - 3rd)

Your mission, should you choose to accept it, is to spend the week working on a top secret Grace Kids Camp case. Fingerprints, clues, and dead ends are sure to keep you on your toes in this mysterious activity. Do you have what it takes to crack the code?

Master Chef (3rd - 5th)

We're going to "kick it up a notch!" - From appealing appetizers to delicious desserts, campers can develop their culinary skills in preparing & serving food! The best part is, the chef always samples their own creations!

Soaked (1st - 5th)

Water wars, crazy experiments, amazing discoveries, and tons of fun await each camper as they cannonball their way into a great week. You won't want to miss the wettest, wildest camp ever seen at Grace Kids Camp.

Color Wars (3rd - 5th)

Come prepared to get messy! Whether it's playing battleship with painted dodge balls, having color powder wars, or even creating our own slingshot paintball course, this week will be unforgettable!

Mad Scientist (1st - 5th)

Experiments, Explosions, and Eruptions... Join our Mad Scientist leaders in exploring the crazy fun side of science. Kids will participate in "hair raising" experiments that will knock their goggles off (but not really)!
