

FOR THE ONE

November 2025 UPDATE

It's hard to believe that December is almost here and our *For the One* giving journey is coming to completion! *For the One* will never end; its impact will go on for years to come. That's one reason this year's *For the One* giving is so important!

We're so grateful for how God has changed us, and how He's opened our eyes to the reality of the importance of mental health, both inside and outside the church. Because 12/31/25 marks the end of the *For the One* giving period, we have sent out final numbers to help you stay on track.

Mark and Kara's Story

For the One 2025 Year-End Giving Priority: Washoe Behavioral Health Center (WBHC)

The first thing we will prioritize with this year-end FTO giving is WBHC, which will provide much needed help for children and adolescents ages 5-18 needing behavioral health treatment. There's nothing like it in town and we are on the ground floor of funding this much needed project! We'll give more details on this project in coming weeks.

As you consider how you will complete your *For the One* and Year-end giving, know that we are praying for you...Praying that God would lead you in generosity and provide as only He can do. We're expectant that God will do that in a meaningful way that will have lasting impact in your lives, and in the lives of many people in our city.
